BERKELEY
MARINA

Administration

The Marina is owned by the City of Berkeley and administered by the Marina Division of its Recreation and Parks Department. For further information:

Administration . . . 644-6371
Berthing-General Information . . 644-6371
Marine Sport Center . . 849-4615
Charter Reservations . . 849-4615
ARCO Fuel Facilities . . 848-8490

Berkeley Yacht Club . . 845-9277
Harbor Carriers . . 398-1141

Ed Tompkin, Marina Supervisor
Berkeley Marina
Berkeley, California 94710

At Present

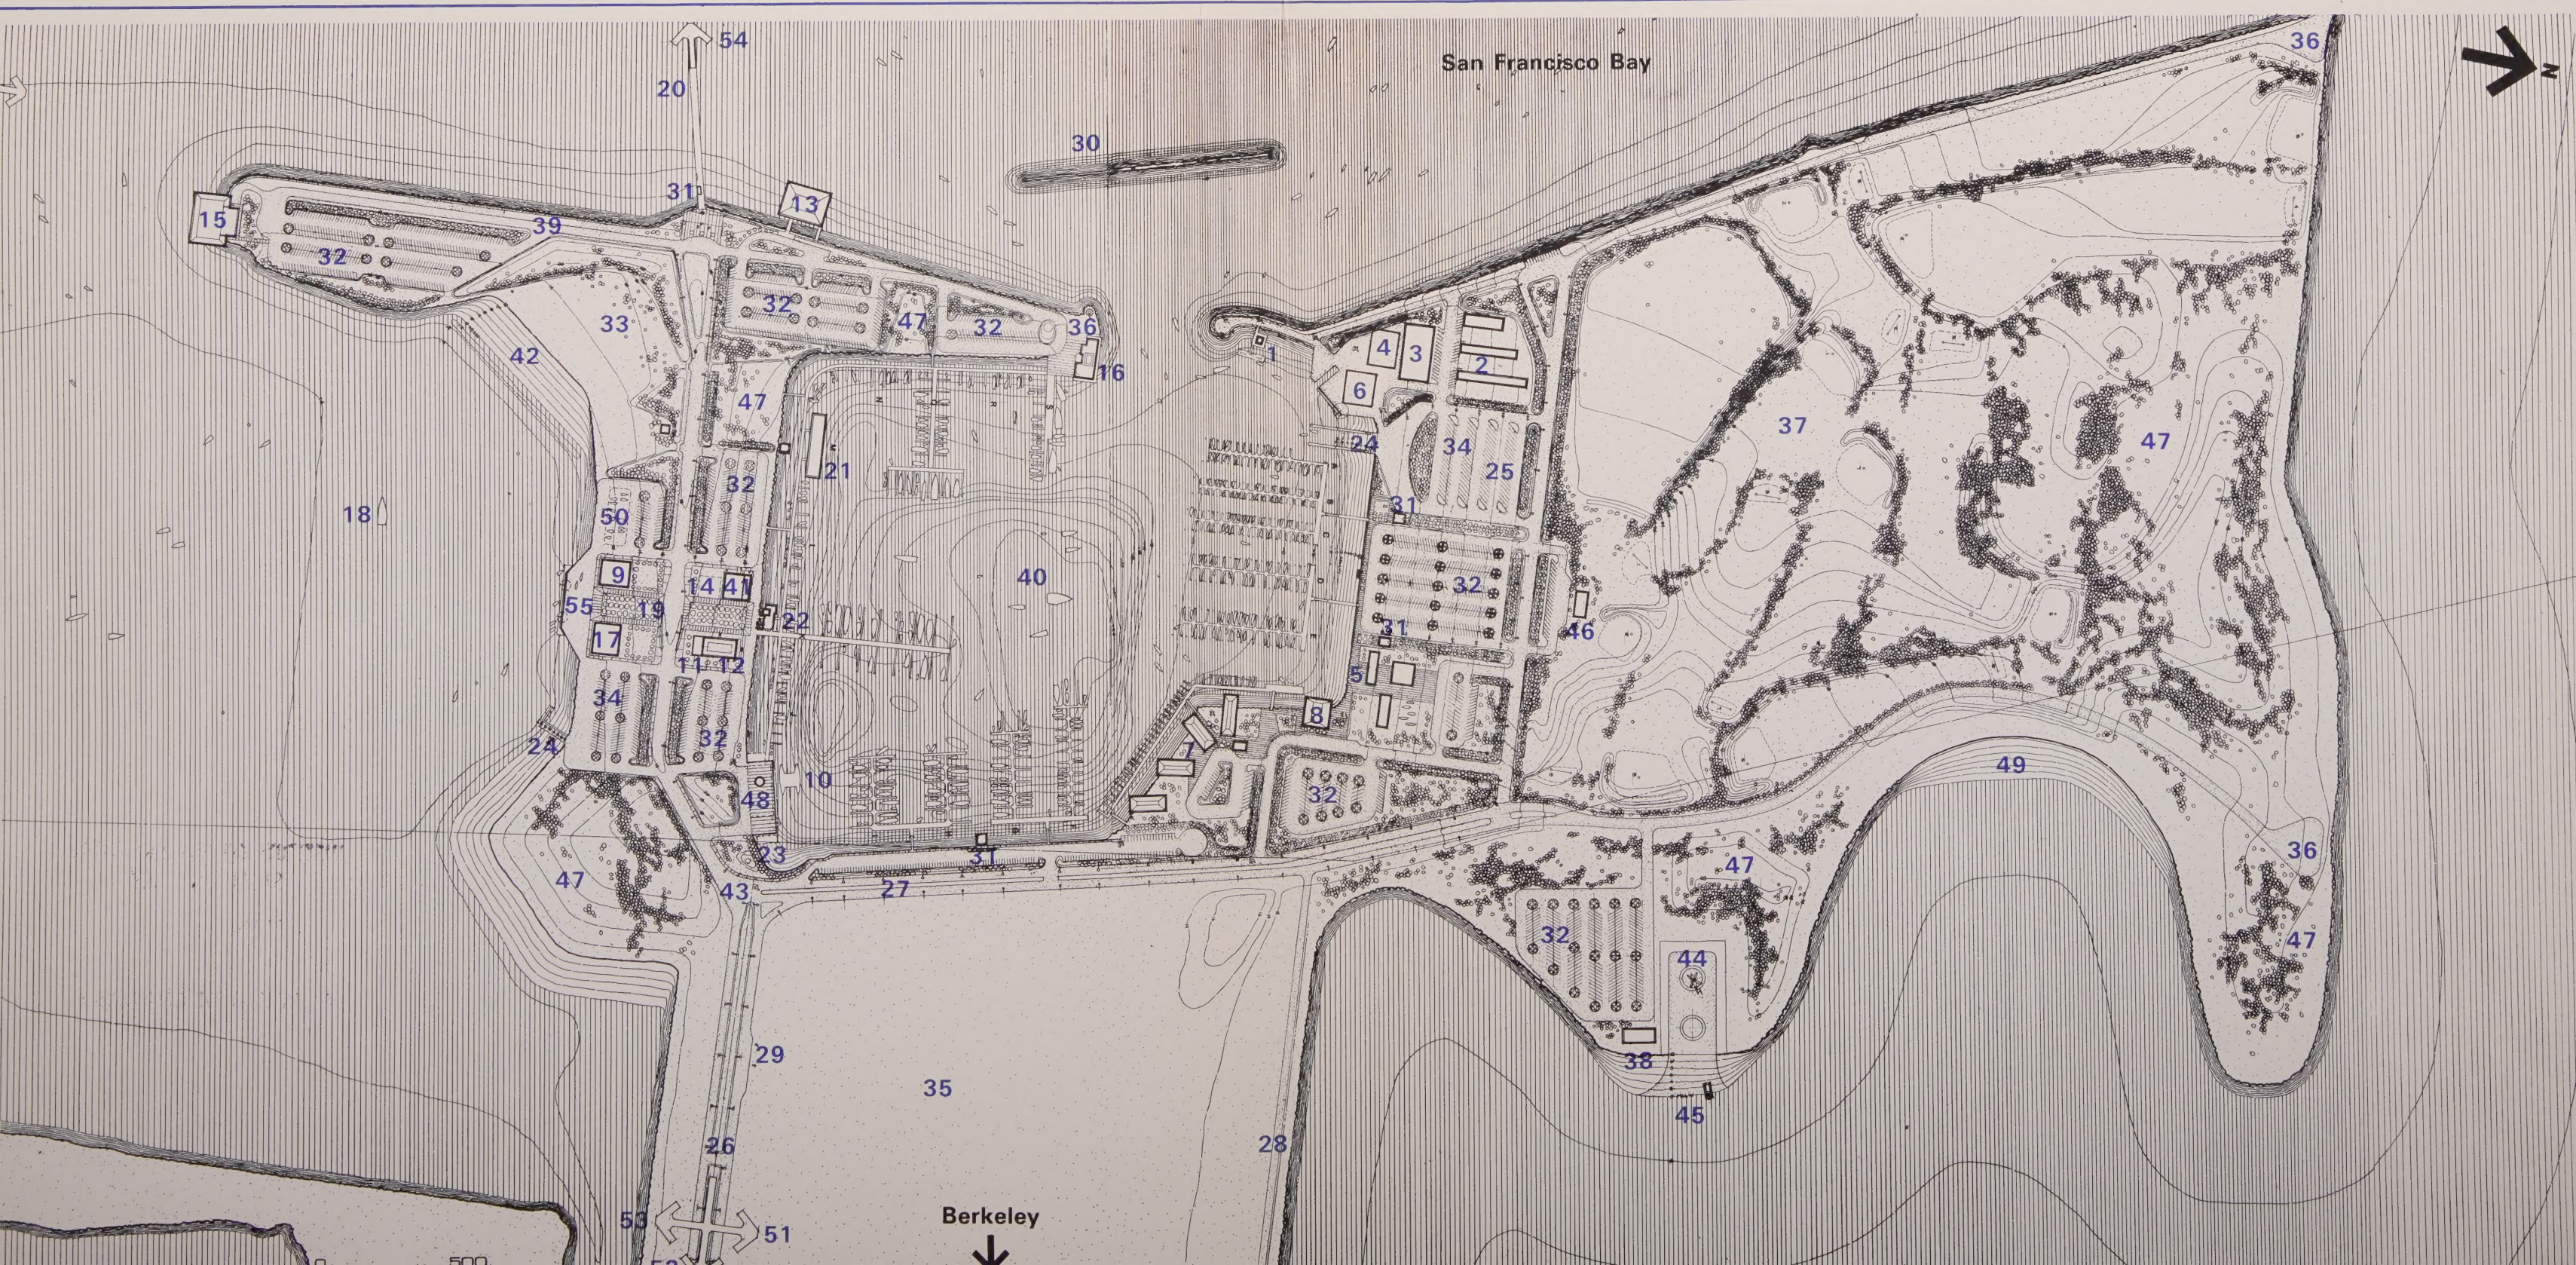

The Marina's 52 acres of water and 591 berths can accommodate some 650 craft from 16 to 110'. Monthly rates vary from \$.85 to \$1.10 per foot. Surge and rough water are eliminated by an entrance breakwater. Berths have storage lockers, water, electrical outlets, night lighting, 24 hour security, parking, rest rooms, showers, and locked gates. On the north shore is located a launching ramp (fee \$1.00), an area for car and boat trailer storage, and a marine fueling facility operated by ARCO Richfield. On the south are a free 3000' public fishing pier—no license required—and Charter Boats for the sportsmen—reservations may be made by calling Moby Dick's Bait Shop at 849-4615. Solomon Grundy's and Hs Lordship's Restaurants offer magnificent morsels and great grog. Newest addition to the Marina is the 250-room Marriott Inn with its guest dock on the Berkeley Yacht Harbor. The Marriott features gourmet dining, an elegant cocktail lounge, nightly entertainment plus convention and banquet rooms for over 700 persons. Harbor Carriers now operates a ferry service to Angel Island and Tiburon, weekends and holidays.

In the Future

On completion, a 110 acre protected boating basin with 975 berths, sandy beaches, picnic areas, greenbelts, trails, scenic drives, lookout points, and landscaped parking areas will create a new water oriented recreation area. Berkeley Yacht Club will build a new club house.
